MASTERS REPORT, SEASON 2006/2007

As the season began we were determined to build upon last season's achievements following the implementation of the Hunting Act 2004. We remained confident of our position having made a number of adjustments to enable us to operate within the law.

As a consequence and with the total support of everyone, we had one of our most enjoyable seasons for many years. We clearly understand the need for discipline and professionalism and with the understanding of everyone, our continuing ability to blend our activity days with both drag and hound exercise was well accepted.

The new law makes increasing demands upon us all and I am delighted with the manner in which the General Working Committee, Officials and Staff have all knuckled down and embraced the new challenges. Thank you all.

Barry's professionalism was clearly evident on each and every activity day. As Barry enters his 33rd season with us, we wish him well with the considerable challenges that lie ahead and thank him for his considerable commitment and loyalty.

We also thank the Cartmel family for caring for the hounds generally at Gate Ghyll.

One of the major achievements last year was the re-launch of our web site. To this end I must record our thanks and compliment Peter Davies for all his efforts and for producing such an outstanding site: www.blencathrafoxhounds.com

Our hound walkers continue to play an essential part in our overall success, to each one a special thank you.

We pride ourselves upon the relationships with the landowners, farmers and the wider rural community. We thank them all for their continued support and willingness to welcome us onto their ground.

Last year it was agreed to change our financial year-end and bring this forward to 31st March from 30th June to reflect more accurately the end of our activity season. With this in mind the limited list of subscribers last time has now been rectified in this year's accounts.

We have continuing plans to upgrade the living accommodation for Barry and Sue along with the refurbishment of the kennel block.

I would like to thank in particular Dick Peel, Bob Fell and Alan Graham for their support, company and good judgment throughout the season.

Finally to everyone who was involved with last season in any way, thank you for your patience and understanding.

As we prepare for the coming season, we are determined to enjoy every single day and hope that we can count upon your continued support. However, this is not a time for complacency.

Michael Thompson
